JUNIOR FAIR BOOTH DISPLAYS

Size allocations of booths are divided as equally and as fairly as possible. Considerations will be given to requests, however, not all requests can be honored. Please remember there is only so much space and all clubs must share the limited resources. Booth space must be requested before July 1 at the Extension Office, 119 S. Barron Street, Eaton.

Booths and all projects must be in place by 9 p.m., Friday. If booth is not complete by 9 p.m., it will NOT be judged. Booths will be evaluated on the entire presentation of the booth, not individual projects. Heavy emphasis will be placed on how well the booth theme is carried out to the smallest detail (i.e. name placards for the projects, etc.)

Booths will be given a score from 1-20 in the following categories:

1. Best Use of Individual Theme
2. Best Use of Color
3. Most Unique
4. Best Use of Space
5. Best Display of Projects

Awards will be presented to the highest score in each category. The winner in each category will receive \$30. In the event of a tie, the booth with the highest total score in each of the other categories will be awarded. The booth with the highest overall score will be awarded the Grand Champion Booth Award and \$50. This booth will not be selected for a category award. A club may win only one award. Signs will be placed on winning booths in each category and 1st, 2nd, and 3rd place booth overall.

Each club/troop/chapter will decorate the booth space assigned to best show the projects and convey an education theme about the organizations. The FCCLA, Boy Scouts, and Girls Scouts will each construct one booth for all of the chapters/troops in the county.

If members are in a club that chooses not to have a booth at the fair, they can display their projects in the "All County Booth" located in the South Jr. Fair Building. Members should sign-up for their space at the miscellaneous judging upon check-in on judging day.
